## **WHO WE ARE.**

“THE GREEN PLANET,” is an Auckland based “NZ Owned & Operated” Food Service Packaging Importer, Wholesaler and Distributor; catering to the packaging needs of cafes, Restaurants, takeaways and food manufacturers to suit takeaway service or food storage requirements.

We embrace our responsibility to protect the environment & share Environmental Concerns where practical & strive to work with our clients in fulfilling Eco Friendly, Commercially & home compostable, High- Quality Food Service Packaging or Sustainable Recyclable Food Packaging alternative to Traiation Food Packaging.

We are constantly exploring innovative new packaging products solutions & also encourage people to Reduce, Reuse and Recycle.

The background of the entire page is a repeating pattern of stylized tropical leaves, likely palm fronds, in various shades of light green and grey. The leaves are layered and overlap, creating a dense, naturalistic feel.

## Custom Printing Options

1 Colour Custom Printing available through consultation on Pizza Boxes

The background of the page is a repeating pattern of stylized tropical leaves. The leaves are rendered in two shades of green: a light, muted green and a slightly darker, more saturated green. The pattern is dense and layered, with some leaves appearing in the foreground and others receding into the background, creating a sense of depth. The overall aesthetic is clean, modern, and nature-inspired.
